Summer 2010

Dear Friend of Carrollton,

Tighten your racquets and practice your swing! The Carrollton Golf and Tennis Tournament beckons.

In the last 6 years this fun-filled event has generated almost \$200,000 in support of our entire athletic program which includes 11 High School and 9 Junior High sports. This extraordinary support has helped the school establish development programs for the younger students and contributed to the improvements of existing facilities. The fruit of all this labor is the foundation of athletic legacies that have resulted in college scholarships and invitations to play in the varsity teams at college and university.

Carrollton's mission, to educate women leaders filled with courage and confidence, is advanced by a strong athletic program that offers opportunities for leadership, discipline, team work, sportsmanship and fulfilling personal goals. This is not a mission we can undertake alone. It requires the partnership we enjoy with all our current families, alumnae and corporate friends.

I hope you will decide to support our athletes by being a sponsor. On behalf of all Carrollton students, I thank you for your participation.

With warmest regards,
